### **1. Hygiene Guidelines**

The competition will be held under the Corona regulations/guidelines/restrictions in force on the day of competition. ([www.wasserfreunde-muehlacker.de/sendercup](http://www.wasserfreunde-muehlacker.de/sendercup)). The participating clubs incl. coaches, swimmers, and officials commit themselves to observe and comply with these. In case of non-compliance and fruitless reminders, the Wasserfreunde Mühlacker 1920 e.V. reserve the right to exclude individuals or the entire club. A refund of entry fees is excluded in this case.

### **2. CR/LR/ADR/Privacy Clause**

The competition regulations (CR), the legal regulations (LR) and the anti-doping regulations (ADR) of the German Swimming Federation (DSV) apply. For handicapped individuals with corresponding proof of classification, additionally, the competition regulations of the National Paralympic Committee Germany (DBS) are to be applied. With the registration for participation in the competition and with the participation in the competition the club/swimmer declares that the competition regulations, the anti-doping regulations, and the legal regulations of the DSV are recognized and that they submit to them. By submitting the entries, the club declares that it and the registered athletes agree to the storage of personal data, and also to the publication of the competition data in the heat sheet, results, and regional rankings in paper form, and also electronically. The registering club also confirms that there are no objections to the publication of names and photos in the context of the coverage of this event. If this is not desired, it must be indicated in writing when submitting the entries.

### **3. Eligibility**

The competition is open for all clubs of the German Swimming Federation (DSV) as well as for all foreign clubs, whose national swimming federation belongs to World Aquatics. Age groups 2016 and older are eligible to compete. In the order of events, the respective age group's eligibility to compete is indicated for each competition distance. Participants of age groups 2016 to 2014 are only allowed to compete a maximum of 6 events per day, including relays and finals.

### **4. Competition Pool**

### **5. Entries and Entry Cap**

Please submit the entries on entry lists (Form 102) together with the entry form (Form 101), or as entry file in DSV standard by e-mail. Please provide an active e-mail address for the confirmation of receipt and the heat sheet. The organizer reserves the right to reject entries if the number of entries no longer allows the event to be run in a manner suitable for the competition. In this case the last received entries at the registration address will not be considered, i.e., the first-come-first-serve rule will be applied. In case of large volume of entries, the organizer reserves the right to change the session starting times. Notification will be given with the publication of the heat sheet.
